

BioAudix LLC

The NON GMO Certifier

Who we are...

- Bioaudix is a certifying agent located in Basel, Switzerland
- Bioaudix provides monitoring and verification services of client facilities and their supply chain under the Bioaudix PVP Program
- Bioaudix facilitates the certification for clients wishing to market their products as NON GMO
- Bioaudix and its NON GMO label is the <u>only</u> USDA Process Verified NON GMO label

What we do...

- The program is mainly geared to European and other international food manufacturers and processors wishing to export NON GMO certified products to the United States
- We aim to provide an objective foundation for monitoring and verification for the certification of food manufacturers
- We aim to have a scientific basis for the claim meaning that the PVP program establishes a rigorous test for GMO's within the customers supply chain
- We work closely with our partner Biolytix, a specialist in GMO detection

Our Process is USDA Verified!

- Provide verifiable certification of food manufactures/processors to the Non-GMO standard established by Biolytix
- Provide verifiable monitoring for compliance of clients to the Non-GMO standard established by Biolytix AG
- USDA Process Verified Program: <u>https://www.ams.usda.gov/services/auditing/proces</u> <u>s-verified-programs</u>
